

## A Catholic Spirituality Network Day

---

*The Catholic Spirituality Network* is the Catholic member group of the Ecumenical Retreat Association. It has members living in England, Wales, Scotland and Ireland. The network aims to keep in touch and resource its members in a variety of ways, one of which are these network days.

Catholic Spirituality Network Days offer members and the wider community to come together at Local level to be nourished by input and reflection and to have a time to build the network at a local level.

They may be held in Retreat Centres, schools, in a local park or in a member's home - anywhere where people can gather to promote the aim of the network and foster the development of the spiritual life and to draw on the rich tradition of Catholic Spirituality for our own formation and to support our accompaniment of others

***We hope they will be a time of spiritual refreshment and putting people in touch with one another to further the Kingdom of God on earth***
